ACKNOWLEDGMENT AND CONFIRMATION OF TRADING TERMS

By signing this Application, the Applicant:

1. confirms that the information provided in this Application is true and correct;
2. agrees to promptly notify Engine Australia of any material change in the said information from time to time; and
3. acknowledges that it has read and agrees to Engine Australia's usual trading terms appearing hereunder.

ENGINE AUSTRALIA'S USUAL TRADING TERMS

1. Every contract between the Applicant customer ("the Customer") and Engine Imports Pty Ltd ACN 010 144 528 trading as Engine Australia ("Engine Australia") is subject only to the terms of Engine Australia's quotation, and no variation of those terms is binding on Engine Australia unless it agrees to it in writing.
2. The Customer must pay Engine Australia 30 days after the end of month purchase. Time will be of the essence in this regard. Engine Australia may however at any time, and without giving any reason, immediately withdraw the Customer's credit account approval status either permanently or in respect of any individual transaction/s as Engine Australia requires. If that happens, the Customer must pay on such terms as Engine Australia then requires and that may require payment before collection, delivery and/or installation.
3. Payment will be by cash, EFTPOS, credit card (Visa and MasterCard), direct deposit or bank cheque or as Engine Australia otherwise directs. Non-bank cheques will not constitute payment until cleared and paid in full. If paying by Visa or MasterCard, for amounts older than 30 days from EOM, Engine Australia reserves the right to charge the Customer a processing fee of 1.5% which will be added to the transaction value.
4. Engine Australia reserves the right to charge the Customer interest at the rate of 15% per annum on any amounts more than 90 days overdue. Interest accrues daily until those amounts are paid and is payable without further demand.
5. A certificate signed by Engine Australia's Managing Director or Credit Controller or other authorised officer setting out details of the goods supplied and delivered and/or the amount the Customer owes Engine Australia from time to time will be prima facie evidence of those matters.
6. No warranty is given or taken that the parts supplied are as described in the relevant supplier's catalogue. If any goods and/or services supplied by Engine Australia are defective or unsatisfactory in any way, Engine Australia's total liability to the Customer and any other party claiming through the Customer will be limited to the reasonable cost of replacement or repair of the parts. Further, Engine Australia will in no circumstances be liable for any consequential loss or damage the Customer may suffer. The Customer will ensure that any of its terms of trade with any other party likewise limit Engine Australia's liability. (For further information, refer to Engine Australia's Warranty Statement)
7. The Customer will give Engine Australia notice within thirty (30) days of first becoming aware of any problem with the goods or services supplied which could give rise to a claim of any kind against Engine Australia. Failure to do so will excuse Engine Australia from any liability in respect thereof.
8. Notwithstanding any advised or estimated date for delivery, time will not be of the essence in respect thereof. Further, no warranty is given or taken as to the date for delivery unless Engine Australia has specifically agreed in writing to the contrary.
9. Title to the goods will pass on payment in full of the purchase price and not before (even if they have been delivered and/or installed).
10. If Engine Australia becomes entitled to recover the goods, its servants and agents are hereby authorised to enter any premises on which they may be stored to recover them.

11. The price does not include freight or insurance. Engine Australia will arrange delivery for the Customer unless other arrangements are made. Further, upon Engine Australia dispatching the goods, they will be deemed delivered to the Customer. The Customer must arrange its own transit insurance.
12. The Customer agrees to give an equitable mortgage over any and all property owned by the Customer (including real property) to the extent of any money owed to Engine Australia.
13. This Agreement will be governed by the laws of Australia only and the Australian courts will have exclusive jurisdiction incidental hereto.
14. If the Customer includes a company, then the Customer must arrange for the signing of guarantees in the terms following by such Officers and/or members as Engine Australia requires. Further, by signing this Application the signatory personally guarantees the performance of the Customer under this Agreement.
15. The terms and conditions on which a credit account may be granted and operated are subject to change without notice.
16. Any changes of address, change of trading name or company name and contact details must be advised to Engine Australia in writing immediately.
17. Goods which are damaged or lost in transit (or delivered later than expected) will not be resupplied, replaced or repaired free of charge by Engine Australia regardless of circumstances.
18. All credit returns must be in original packing condition or a purchasable standard and accompanied by the relevant invoice number, date of purchase and reason for return. Credit returns should be sent back to Engine Australia via a method that allows the consignment to be traced. Faulty or incorrectly supplied parts, and parts returned within 30 days, will be fully credited. Parts returned after 30 days from invoice date will attract a 10% handling charge. Parts returned after 60 days from invoice date WILL NOT BE CREDITED WITHOUT PRIOR APPROVAL. Freight on all credit returns must be prepaid. Special procurement items are not returnable for credit.
19. It is the responsibility of the Customer to check the suitability of the parts for the desired application. No responsibility whatsoever is accepted for the fitment of incorrect parts. The onus is clearly with the fitter/Customer to ensure the parts supplied are correct for the particular job. Any damage to parts or consequential damage or cost resulting from the fitment of incorrect parts is totally the responsibility of the fitter/Customer. Parts should not be used for any purpose other than for the purpose for which they were manufactured.

GUARANTEE AND INDEMNITY

1. Each Guarantor signing hereunder hereby jointly and severally guarantees prompt performance of all of the Applicant's obligations contained or implied in any agreement the Applicant has with Engine Australia for the supply of goods or services ("supply agreement"). Where the Applicant's obligation is to pay money, Engine Australia may sue the Guarantor for any money not paid by the Applicant as a liquidated debt (including interest).
2. In addition to the Guarantor's liability under paragraph 1, each Guarantor indemnifies Engine Australia against loss suffered by it in connection with Engine Australia's supply of goods or services to the Applicant.
3. The Guarantor's liability under paragraphs 1 and 2 is not affected by:
 - (i) the granting of time, forbearance or other concession by Engine Australia to the Applicant;
 - (ii) an absolute or partial release of the Applicant or any Guarantor or a compromise with the Applicant or any Guarantor;
 - (iii) variation or termination of the supply agreement;
 - (iv) the fact that the supply agreement is wholly or partially void, voidable or unenforceable;
 - (v) non-execution of this guarantee and indemnity by one or more of the persons named as Guarantor or the unenforceability of the guarantee or indemnity against one or more of the Guarantors; and
 - (vi) the fact that a demand to the Guarantors has not been made.
4. The liability of any Guarantor is not discharged by a payment to Engine Australia which is later avoided by law. If that happens, Engine Australia and the Applicant and the Guarantor will be restored to their respective rights and obligations as if the payment had not been made.
5. Until Engine Australia has received all money payable to it by the Applicant:
 - (i) no Guarantor may prove or claim in any liquidation, bankruptcy, composition arrangement or assignment for the benefit of credits; and
 - (ii) each Guarantor must hold any claim it has and any dividend it receives on trust for Engine Australia.
6. Engine Australia may at any time, at its discretion without notice to the Guarantor, refuse further credit or supply of goods or services to the Applicant, without affecting the Guarantor's liability to Engine Australia under this guarantee and indemnity.
7. Each Guarantor acknowledges and agrees that Engine Australia may act as though he or she was the principal debtor, and waives any rights as surety that may be inconsistent with any of the other terms of this guarantee and indemnity.
8. The Guarantor agrees that Engine Australia may seek from a credit reporting agency, a credit report containing personal information about the Applicant as a guarantor for credit applied for, or provided to, the Applicant.
