

The Diesel Parts Specialists

Looking for a challenge? Time for a change?

Are you a Mechanic sick of the tools and wanting to expand your expertise and knowledge?

Know diesel engines?

If you answered YES to any of these questions then we have the job for you, as a parts interpreter at our Head Office in Dalby

Join the Engine Australia team supplying the largest range of aftermarket diesel engine parts in Australia, for Truck, 4WD, Agricultural and Stationary engines. All makes and models, as well as Performance engine parts.

For over 55 years we have been providing customers with quality engine parts from the worlds leading OEM and aftermarket manufacturers.

The successful applicant will display their ability in the following areas:

- Experience with parts interpreting
- Good knowledge of engine components - preferably diesel
- Establishing & maintaining good customer relations
- Enthusiasm for meeting customers needs
- Excellent telephone manner

A knowledge of computer systems would be an advantage but not essential. Full training will be supplied to the successful applicant.

This vacancy represents an opportunity to secure a position with a national company that is focused on growth and first class service to their customers
